With up to the latest Intel® Core™ i 7th generation processor, and DDR4 memory – the Lenovo™ V520 Tower & V520s Small Form Factor are designed to boost your productivity. Combined with performance enhancing PCIe SSD – you have speed and power at your fingertips as you handle large files, create rich content, and stay in touch. With 4 forward-facing USB ports, you can connect your peripherals, and adapt as your business grows. The Lenovo Companion application makes managing your computer simple – so you can focus on what's important. Together with reassuring Smart USB protection and Bluetooth® Lock, your V520 Tower & V520s Small Form Factor deliver security, simplicity, and productivity – helping you drive your business forward.

Key Features

Powerful Performance

Make business-boosting productivity your first choice with up to the latest Intel® Core™ 7th generation processor – together with PCIe SSD, DDR4 to power up in a flash, load files fast and avoid frustrating delays.

Enhanced Security

With Smart USB Protection for preventing sensitive business data from leaking – you have the reassurance of optimized security features.

Future Ready

You're fully equipped for easy upgrade to Intel® Optane™ memory – enabling you to get even more amazing performance and responsiveness without compromising on storage.

Easy Management

All from the comfort of a single app, Lenovo Companion allows you to manage your system health, configure system updates, purge your PC of unnecessary files and much more.
