## Multi-Tool Tech Pen/Stylus

Twist-open ballpoint is ready to write when you need it, gone when you don't

Perfect for use with Smartphones and tablets - even touchscreen computers

Tool tips hide away inside built-in compartment under the stylus tip

Black - MEASPM1  
Yellow - MEASPM3

SRP: \$ 14.99

When you're on the go, you often need a variety of tools, and you're often left without the one you need most. The Multi-Tool changes that, turning a simple pen into a device that includes a stylus for your tablet, rulers, a bubble level and an interchangeable screwdriver with Phillips and Straight Slot heads. It's everything you need, right at your fingertips!

**Features**

- Stylus for Tablets & Smartphones
- Metric & Standard rulers for measuring up to 4 inches
- Interchangeable Phillips and Straight Slot screwdriver bits
- Bubble Level
- Twist-open Ballpoint Pen
- All-in-one construction for easy portability
- Spring pocket clip
