Product Description

The SA11 Privacy Screen for iPad Pro 11" helps protect your privacy, simply and easily. A washable, reusable adhesive makes installation — and re-installation — a breeze, with no unsightly bubbles. Protects privacy by limiting viewing angle to +/- 30° in landscape and portrait mode for full four-way protection. Reduces harmful blue light by up to 22%, diminishes glare, improves clarity, and protects from scratches and damage. Includes anti-bacterial cleaning cloth and acrylic storage solution to help keep it lint and dust free when not in use.

Features

- A washable, reusable adhesive makes it easy to install, detach, and reattach, with no unsightly bubbles.

- Limited viewing angle narrows the field of vision to +/- 30 degrees in landscape and portrait mode for full four-way protection. Helps keep the information on your screen private from all sides, reducing the chances of a visual data breach in the office or in public.

- Blue light reduction filters out harmful rays by up to 22%, easing eye strain and reducing the chances of interrupting sleep patterns.

- Low reflective coating reduces glare for improved clarity.

- Helps keep iPad Pro screen free from scratches and damage.

- Anti-bacterial cleaning cloth helps to keep screen clean.
