Neomounts

Le NM-USP100BLACK est un support pour Sonos Playbar haut-parleurs.

The Neomounts Neomounts SONOS soundbar mount, NM-USP100BLACK is the best choice universal soundbar bracket to mount your SONOS PLAYBAR to your existing TV bracket. This mount is a great choice for space saving placement on ceilings and walls to guarantee an optimal listening position. This mount easily combines with any brand flat screen wall- or ceiling mount. Ideal to hold both flat screen TVs and the Playbar itself, allowing both units to rotate to face the viewer.

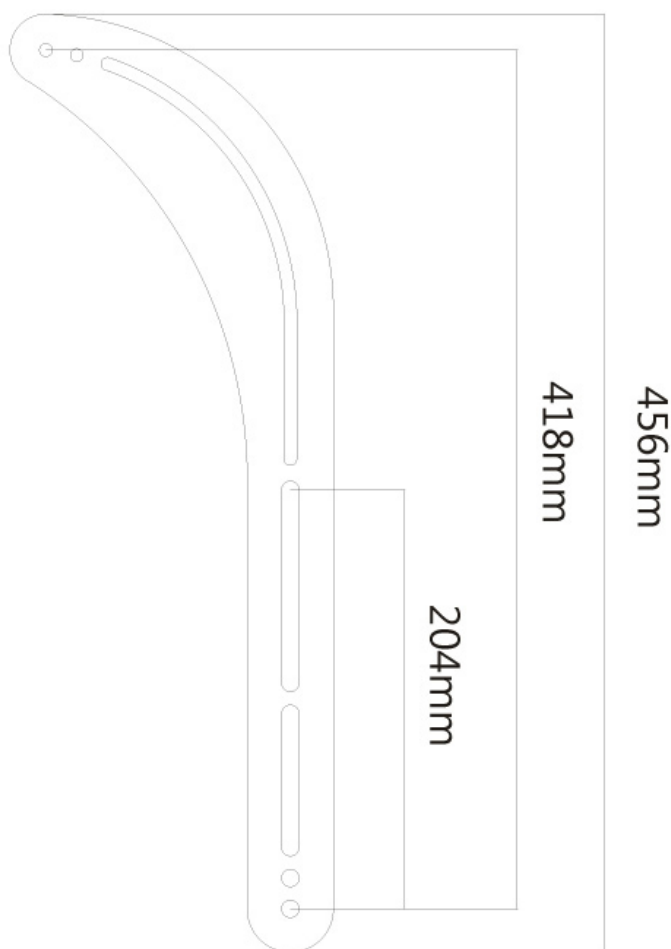

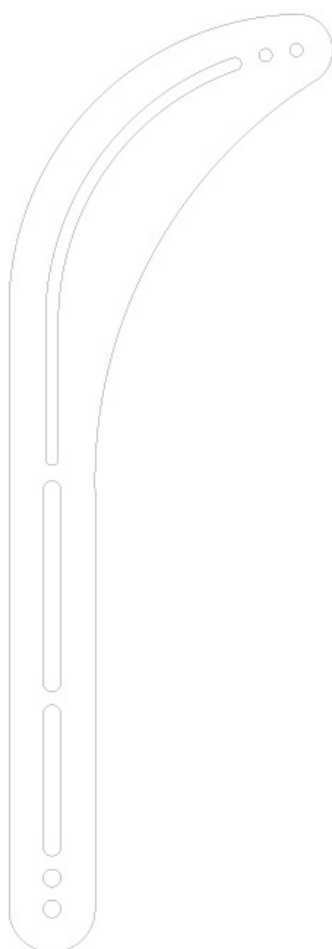

The Neomounts soundbar mount fixes to your existing TV bracket ensuring your sound moves in line with the screen. Fully benefit from the capabilities of the speaker so you can perfectly angle your sound. The mount is adjustable in width covering the VESA holes of your TV bracket.

Neomounts NM-USP100BLACK is suitable for soundbars up to 15 kilo. The brackets guarantee quick installation.

All installation material is included with the product.
