

IMPACT 100 Series

Enjoy more natural-sounding conversations and great quality audio with headsets designed for enterprises introducing Unified Communications. Experience the difference unique EPOS technology can make to your efficiency and well-being.

Key Features

IMPACT 100 Series

A black and orange EPOS IMPACT 100 Series headset is shown from a three-quarter perspective, resting on a stand. The headset features a padded headband and acoustic foam ear pads. A microphone boom arm extends from the left ear cup. A coiled cable runs from the right ear cup. Callout lines with circular markers point to various features: 'Deployment friendly headset' points to the ear cups; 'Ensure quality sounding calls' points to the microphone; 'Enjoy great comfort' points to the ear pads; 'Protects your hearing' points to the ear cup; and 'Easy call management' points to the in-line call control unit on the cable.

Deployment friendly headset

Compatible with all other major Unified Communications platforms

Ensure quality sounding calls

With EPOS Voice™ and noise-cancelling microphone for natural, clear conversations

Enjoy great comfort

Ultra-lightweight headset with comfortable acoustic foam ear pads

Protects your hearing

From acoustic shock with EPOS ActiveGard® technology

Easy call management

With in-line call control unit to mute, adjust volume and answer/end calls
