

Orbit 132

1080P Full HD Wi-Fi Dash Camera with Blind Spot Mirrors

The Orbit 132 is a high performance starter dash cam set, including 2 free blind spot mirrors. This allows drivers to see clearly what is at the rear blind spot before changing lanes. Empowered with Wi-Fi capability for instant file sharing to view, download, and share your footage. Equipped with a G-sensor, to sense drastic braking or a impact to automatically lock onto your emergency files. Supports 32GB, and includes a free 8GB microSD card. Start recording anything that may unfold on the road and drive with peace in mind.

Full HD 1080P

Records in 1080p full HD resolution. This will smoothly capture clear video in fast moving scenes.

2 Blindspot Mirrors Included

In the package, 2 blind spot mirrors are included to give you the best visibility possible by enlarging your blind spots, giving you ease to change lanes and easily see what's behind you.

Wi-Fi for Instant File Transfer

Easily view, download, and share your dash cam footage straight to your smart phone via Wi-Fi connection.

120° Viewing Angle

With a wider field of vision, you'll be able to capture more lanes of the road. You won't need to worry about missing those small details on the road such as license plates.

G-Sensor for Emergency File Saving

The G-sensor is a gravity sensor that will sense any collision, swerve, or hard braking, and automatically lock the current video so it cannot be loop recorded over.

Supports 32GB, 8GB MicroSD Card Included

A 8GB microSD card is included in the package, so you'll be set to install the Orbit 132 in your car and start recording. This device supports up to 32GB of external storage, around 5 hours of recording at 1080p.

Specifications

Resolution: 1080P

Image Sensor: CMOS Sensor

LCD Display: 1.5" TFT

Video Format: .avi

FOV: 120°

G-Sensor: Yes

Storage Memory: 8GB included (Supports up to 32GB)

Unit Dimensions: 1.5" x 1" x 2" in

Unit Weight: 0.08 lbs

Mount: Suction Cup

Interface: Mini-USB

Power Supply: 110mAh Li-ion battery embedded

Operating Temperature: 14°F~149°F / -10°C~65°

Wi-Fi iOS/Google App: GoPlus Cam
