

LITRA GLOW

Premium Streaming Light with TrueSoft™

FIND YOUR LIGHT

The Litra Glow premium streaming light is the fastest way to achieve professional-quality lighting for videos and streaming. Logitech's TrueSoft technology delivers balanced, full-spectrum LED light with cinematic color accuracy for natural skin tones and a radiant look on camera. Eliminate harsh shadows with wide, soft light that flatters the subject using Litra Glow's innovative frameless diffuser. Litra Glow has cleared even the strictest UL testing guidelines* for all-day streaming. Easily place Litra Glow where you want it using the patent-pending three-way monitor mount with adjustable height, tilt and rotation. Fine-tune your on-camera look using adjustable brightness and color temperature settings—from warm candlelight to cool blue.
