

## F,C CLAMP STAND

A professional mount for your video conferencing accessories.

K87654WW

### Product Description

The Kensington A1000 Telescoping C-Clamp is a professional desktop mount for microphones, webcams, and lighting systems—and a perfect accessory for keeping your video conferencing setup organized and professional. The adjustable height stand extends from 20" to 30" to accommodate standard webcam, microphone, and lighting system configurations. The 360° swivel mount provides flexible webcam or lighting angles, and cable management clips supports a tidy workspace. The A1020 is part of Kensington's Professional Video Conferencing ecosystem—a powerfully cohesive plug & play software and accessory experience that empowers you to spend more time collaborating and less time troubleshooting.
