

Poly Sync 20+ USB-A Speakerphone

Quality sound made portable

Sound like the professional you are with Poly Sync 20 USB/Bluetooth® smart speakerphone – for conference calls and music anywhere you work. Take it wherever you go – it's got up to 20 hours of talk time.

*Product image may differ from actual product

Dynamic audio

Take conference room-quality audio on the go. Enjoy remarkable sound from meetings to music and reduced echo and noise so you can be heard clearly.

Works the way you do

A programmable button puts your favorite function at your fingertips – play / pause music, last-number redial and voice assistant – it's up to you. What's the status of a call? Know from a distance with the highly visible light bar.

Three-microphone array

Experience conference calls with outside noise and distractions tuned out. A three-microphone array focuses on your voice – not the surrounding noise.

Full-duplex audio

Collaboration gets tough when one voice dominates the conversation. Full-duplex audio makes simultaneous conversations a breeze.

Smartphone charger

Stay connected and ready for your calls with the ability to charge your smartphone when on the go via an USB-A port.

Up to 20 hours of battery life

Work on the go – the battery is ready for portable use with up to 20 hours of talk time on a full charge.¹

Datasheet

Poly Sync 20+ USB-A Speakerphone

Specifications

Compatible with

Compatible operating systems: Windows 10; macOS

Connectivity and communications
