## See what's happening in 720p HD

- Enjoy day & night security & have a bird's eye view of your premises with this 720p HD video surveillance camera
- Seeing is believing from a 720p (1 Megapixel) HD Camera with 55° viewing angle
- See what's happening in any light with infrared cut filter & powerful LEDs producing night vision up to 65ft / 20m
- With sleek bullet styling & sturdy Polycarbonate construction the camera suits indoor & outdoor applications with IP66 rating for any weather conditions & cable threaded through the mounting stand for added protection
- This camera is the perfect addition if you already have a recording solution (DVR) & need extra surveillance. It can be used in combination with Swann's Pro-Series HD Digital Video Recorders including 1600 & 4575 series
- Deter thieves, safeguard loved ones, protect your property & cut the cost of crime with a visible security presence including this superior surveillance camera from Swann
