

# ThinkCentre X Ultra

Designed for business professionals who demand efficiency without compromise, the ThinkCentre X Ultra delivers a refined, productivity-first experience. Equipped with the latest AMD Ryzen™ AI Max PRO 400 Series processors, it ensures seamless multitasking and accelerated workflow, while integrated AMD Radeon™ 8065S/8050S Graphics provide sharp visuals for data analysis, presentations, and creative tasks. With up to 128GB LPDDR5X-8533 memory, users can locally employ massive AI models, run multiple apps simultaneously and handle complex 3D data sets with ease.

## Empowering the modern workforce with a streamlined desktop experience

ThinkCentre X Series delivers compact, enterprise-grade performance for modern workplaces, combining powerful processors, reliable security, and space-saving design to support everyday multitasking, collaboration, and efficient operations across diverse professional environments.

The device elevates its agentic AI capability with an innovative cluster solution that connects up to four systems into a unified AI computing platform, enabling smoother compute scheduling, multi-AI-agent collaboration, and progressive infrastructure scaling. Engineered for intuitive interaction and flexibility, this user-centric device also lets you visualize real-time AI workload activity and monitor system and cluster status with the adaptive lighting language that dynamically conveys computing status.

By keeping business data off the cloud, the robust on-device AI capabilities of the device unlock secure, personalized efficiency with localized models. And for elevated protection from the supply chain to below the OS, Lenovo ThinkShield delivers end-to-end security that's comprehensive, modern, and resilient.

ThinkCentre X Ultra is engineered to sustain peak performance for demanding AI and business workloads with a patented biomimetic thermal architecture that optimizes airflow for quiet, efficient, and stable cooling. Its advanced design helps balance system acoustics and thermal efficiency, while an extendable computing cluster solution enables organizations to run larger AI models, improve reliability, and scale computing capacity as requirements evolve.

# Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

### Premier Support Plus

- Helping IT predict and prevent device downtime
- Elite 24x7 expert support empowers IT and users alike
- AI insights help resolve issues before they impact business

# Accessories

## Lenovo Essential Wireless Combo Keyboard & Mouse Gen 2

- Embrace the freedom of a clutter-free and cable-free work setup.
- Ergonomically sculpted cups and low-profile island keys for maximum comfort.
- A 2.4 MHz receiver for a seamless keyboard and mouse connection.

PN: 4X31N50708 – 4X31N50757

## Lenovo ThinkVision P40WD-40 Monitor

- Adaptive refresh rates for seamless visuals and efficiency
- Immersive 2500R curve screen for immersive visual experience
- Streamlined multi-monitor synergy with ultra-thin bezels

PN: 4XF1R07369

# ThinkCentre X Ultra

## Performance

**Processor**
AMD Ryzen AI Max 300, Ryzen AI Max 400 and Ryzen AI Max PRO 400 Series Processor

**Operating System***
Windows 11 Pro
AMD Ryzen AI Developer Platform

**NPU***
Integrated AMD Ryzen AI, up to 55 TOPS

**Graphics**
AMD Radeon 8065S
AMD Radeon 8050S

**Chipset**
AMD SoC (System on Chip) platform

**Memory**
128GB Soldered LPDDR5X-8533
64GB Soldered LPDDR5X-8000

**Storage**
Dual SSD mode: up to two drives, 2x M.2 SSD
• M.2 2280 SSD up to 4TB

**Audio***
High Definition (HD) Audio
Single speaker, 2W x1

**Power Supply***
245W 90%

## Design

**Form factor**
Tiny (1.6L)

**Dimensions**
183 x 183 x 51 mm (7.2 x 7.2 x 2 inches)

**Weight**
Around 2 kg (4.41 lbs)

**Color**
Thunder grey

**Expansion Slots**
Three M.2 slots (one for WLAN, two for SSD)

## Connectivity

**Ethernet***
10GbE onboard Ethernet
10GbE onboard Ethernet*

**WLAN + Bluetooth***
802.11be (Wi-Fi 7), Bluetooth 5.4
Up to Realtek Wi-Fi 7 RTL8822AE, Bluetooth 5.4

**Front ports**
2x USB-C (USB 10Gbps / USB 3.2 Gen 2), with data transfer and 5V@3A charging
1x headphone / microphone combo jack (3.5mm)

**Rear ports**
2x USB-A (USB 10Gbps / USB 3.2 Gen 2), one supports Smart Power On
1x DisplayPort 2.1 UHBR10
1x HDMI 2.1 FRL
2x USB-C (Thunderbolt 4 / USB4 40Gbps), support data transfer, 5V@3A charging and DisplayPort 2.1
1x Ethernet (10GbE, RJ-45)
Flex I/O port (one of VGA / DisplayPort 2.1 UHBR10 / HDMI 2.1 FRL / Serial / 10GbE RJ-45)*

## Security & Privacy

**Security**
Discrete TPM 2.0
Kensington Security Slot
Fingerprint Reader*

## Manageability

**System Management***
AMD PRO technology with DASH and AIM-T
DASH

## Lenovo services

**Base Warranty**
Up to 3-year limited onsite service

## Certifications

**Green Certifications**
ENERGY STAR 9.0*
EPEAT 2.0 Gold Registered*
TCO Certified 10*
ErP Lot 3
RoHS compliant

**Other Certifications**
TÜV Rheinland Ultra Low Noise*
MIL-STD-810H military test passed
