

Zerto Quick Start Service

Zerto SKU: ZPS-QIKSTR | HPE SKU: H36NMA1

Overview

Zerto, a Hewlett Packard Enterprise company, **Quick Start Service** provides a dedicated remote **Zerto** expert who shares insight, guidance, and direction for your IT resilience objectives with **Zerto** to improve your operational efficiency, mitigate the risks of learning on your own, and expedite benefit realization from your **Zerto** investment.

The **Quick Start Service** is delivered over remote sessions including, but not limited to:

- + **Zerto** Introduction & Prerequisites
- + **Zerto** Configuration & Operation
- + **Zerto** Questions & Answers

Benefits

With the **Zerto Quick Start Service**, you ensure you have the most knowledge and best advice to meet your IT resilience objectives:

- + Maximize your **Zerto** investment across multiple IT resilience use cases, like:
 - Continuous availability
 - Workload mobility
 - Multi-cloud agility
- + Effectively support your business with an accurately configured environment
- + Ensure your staff are efficient and effective with **Zerto**
- + Accelerate time to value with an expeditiously deployed solution

Zerto's solution converges disaster recovery, backup, and workload mobility whether on-premises or to, from, and between hybrid and multi-cloud platforms.

The solution is built on a foundation of continuous data protection (CDP) with built-in orchestration and automation, providing IT leaders with simplicity, enterprise scale, and agile data protection to save time, resources, and costs.

Zerto Analytics (ZA), with intelligent dashboards and live reports, provides complete visibility across multi-site and multi-cloud environments to give you the confidence to know business service levels and compliance needs are met.

Leveraging **Zerto Professional Services (ZPS)**, you gain insight and expertise, ensuring long-term success with your **Zerto** investment.
