APPLICATIONS

Bring your favorite music from the kitchen counter straight to the hiking trail with the VisionTek Audio Mini. Backed by an all-day battery, toss it in your beach bag or pair two on the patio for stereo sound. Enjoy dependable, everyday audio that simply keeps your life connected.

THE VISIONTEK DIFFERENCE

As a privately owned Midwestern company, VisionTek believes performance, reliability, and real support still matter. From IT and government agencies to healthcare, education, and distributed workforces, customers rely on us to reduce downtime and keep operations running smoothly.

Every product is backed by dedicated U.S. based technical support. We build technology that works so you can focus on getting your work done.

Smart Tek. Real Support.

The VisionTek Audio Mini moves effortlessly from indoor relaxation to outdoor adventure. Fully submersible IPX7 construction protects your music from kitchen spills and sudden rain, while up to 12 hours of playback at 50% volume keeps your playlist active all day. Answer calls hands-free with the internal microphone or pair two speakers for immersive stereo audio across a 33-foot range. Dependable performance that simply keeps your life connected.

ALL-DAY BATTERY

Powered by a rechargeable 1500mAh battery, the VisionTek Audio Mini Wireless Bluetooth speaker delivers up to 12 hours of continuous playback to fuel your routine from morning kitchen prep to evening campfires.

IPX7 WATERPROOF PROTECTION

Safely bring your music to the pool, beach, shower, or trail. The rugged IPX7 waterproof design withstands full submersions, heavy rain, and accidental splashes while keeping audio crisp and clear.

TRUE WIRELESS STEREO PAIRING

Sync two VisionTek Audio Mini speakers together for instant TWS dual stereo sound. Expand your audio footprint on the patio or living room with double the volume and full room-filling sound.

EXTENDED WIRELESS RANGE

Connect instantly to any iPhone, Android device, tablet, or laptop. Enjoy a rock-solid wireless Bluetooth connection up to 33 feet (10m) away without dropouts or audio lag.

BUILT-IN MIC FOR HANDS-FREE CALLS

Take clear phone calls straight through the built-in microphone without disconnecting. Perfect for hands-free work meetings at your desk or chatting while cooking dinner.
