

Under Armour® True Wireless Streak – Engineered by JBL®

Ultra-compact In-Ear Sport Headphones

Minimize size, maximize performance.

UA True Wireless Streak is engineered to maximize performance while minimizing size and distractions. A lightweight design with Sport Flex Fit ear tips provides optimized comfort and secure fit tested by athletes. UA waterproof technology delivers element-battling protection, while JBL Charged Sound is boldly tuned with rich bass for motivation. Bionic Hearing features TalkThru Technology to quickly interact with your workout partner, and Ambient Aware Technology to hear your surroundings. A quick tap provides seamless controls, and reflective accents allow you to stay seen. A pocketable charging case provides 18 hours of total playtime, powering you to achieve your personal best.

- ▶ 18-Hour Battery
- ▶ Reflective
- ▶ Google Fast Pairing
- ▶ UA MapMyRun

Under Armour® True Wireless Streak – Engineered by JBL®

Ultra-compact In-Ear Sport Headphones

Features and Benefits

Compact, Lightweight True Wireless Design for Sport

Ultra-small, lightweight cable-free fit with Bluetooth connectivity.

[UA STORM] Waterproof Technology

IPX7 sweat & waterproof.

JBL Charged Sound

Bold sound tuned for sport with rich bass to crush your workout.

Bionic Hearing

Using unique JBL sound and mic technology, Bionic Hearing allows you to hear your surroundings with two sound Technologies – TalkThru & Ambient Aware. With TalkThru Technology, music is lowered and speech is amplified so you can easily chat with a workout partner between sets. Ambient Aware delivers a more immersive music experience while increasing ambient sounds, providing the safety of hearing your surroundings.

Sport Flex Fit Ear Tips

Comfortable fin style ear tips that are easy to use for maximum security.

Designed for Smaller Ears

XS, S, and M Fins.

Touch Control

A quick tap provides seamless control of calls and music.

Independent Earbuds

With Bluetooth 5.0, make a call or listen to music on either bud independently. No need to worry about switching or missing a connection.

Crystal Clear Calls with Dual Mics

Optimized quality powered by Dual Beamforming mics, and wind-blocking technology.

18-Hour Battery

6 hours of playtime +12 additional hours in compact case for charging on-the-go.

Type-C speed charging gets you fully charged earphones just in 2 hours.

Reflective

Stay seen with enhanced visibility.

Google Fast Pairing

Hassle-free pairing with your device.*

*Android 6.0 or above supported devices
