

100 Pack Extra Large Cable Clips with Nail - Reusable - Nail-in Clamps - Wire Holding Clips - Ethernet Cord/AV/Coax Cable Fasteners - Brick/Drywall Mounting Cable Tacks - White - TAA

Product ID: CBMNMCC4

These single nail cable clips secure cables to the wall to route and organize them. 100 White cable clips are included, ensuring you'll have plenty on hand.

Secure Your Cables with an Included Steel Nail

These electrical cable clips with steel nail enable you to bundle cables while mounting them to a wall. They hold cables from 0.39 in. (10 mm) to 0.55 in. (14 mm) in diameter. They're quick and easy to install, remove and reuse, with a .08 in. x 1.18 in. (2 mm x 30 mm) steel nail included that secures and mounts it to the wall -- perfect for organizing and routing network cables, power cables, or other cables at your home or office.

Industrial Strength

Made of durable PE material and featuring a galvanized steel nail, these cable clips ensure a strong bearing capacity and are corrosion resistance and suitable for securing cable bundles to wood, drywall and masonry.

Available in Different Sizes

To suite different application, StarTech.com offers a variety of single and double nail cable clips:
