ViewSonic ME VX3218-PC-MHD

Key Features

- 165Hz refresh rate for smooth gameplay
- 1ms (MPRT) response time for precision
- 1500R Curved screen for immersive visuals
- AMD Adaptive[™] Sync prevents screen tearing
- Full HD resolution for rich detail

Product **Description**

The ViewSonic VX3218-PC-MHD features a 32" Full HD display with a 1500R curve for bigger, more immersive gameplay. The hyper-responsive 165Hz refresh rate renders your games with ultra-smooth graphics. A clean design removes the bulk of larger monitors, and a borderless display with sleek dimensions enhances this big screen experience. AMD Adaptive Sync virtually eliminates screen tearing and stuttering for fluid gameplay and the 1ms MPRT response time enables you to react in-game with speed and precision. The VX3218-PC-MHD is also equipped with ViewSonic's exclusive ViewMode presets, which offer optimised screen performance for a variety of needs, such gaming, editing, or watching movies. In addition, a DisplayPort and HDMI inputs offer flexible connectivity for gaming and entertainment.

VX3218-PC-MHD 32" 165Hz Curved HD Gaming Monitor
