

S-board 840 Numeric

The ideal device for your numerical input.

Entering numbers has never been easier than with the S-board 840 Numeric!

With this external numeric keypad, you can alternate between your left and right hand, and you can flexibly put it away, when you don't need the numeric. For efficient and comfortable typing the S-board 840 Numeric has a scissor mechanism for its keys, a key centre distance of 19 mm, anti-reflective white keys with dark lettering, and a concave key shape. This external numeric keypad has a calculator function with eight useful extra keys, convenient integrated navigation keys and two LED displays for showing on and off and for NumLock. With the S-Board 840 Numeric you can not only enter productively large data quantities, but you can also use the great calculator mode to be more efficient at work and increase your personal performance.

Ergonomic background

A compact keyboard without the numeric keypad, which allows placing the mouse closer to the keyboard. Research shows that 90% of users do not use the numeric keypad, if ever. With a compact keyboard you work more comfortably, because it lowers the reaching distance to the mouse (Cook C. et al., 1998). This lightens the load on the forearms and shoulder. Dark letters on a clear background make reading easier (ISO 9241) and contribute to higher productivity (Snyder, 1990).

Product dimension length [mm]	165
Product dimension width [mm]	95
Product dimension height [mm]	21

Package

Package weight including product [g]	226
Package dimension length [mm]	154
Package dimension width [mm]	170
Package dimension height [mm]	23

Available documents

Manual available	Yes
Manual in package	Yes
Manual language	German, English, French, Dutch
Technical drawing available	No

Product design

Product colour(s)	Light Grey, White
Anti-slip feet	Yes
Hand	Right and left
Package content	Protection bag, Manual, Keyboard, USB-A to USB-C adaptor
Protection bag included	Yes

Battery & accu information

Battery needed?	Yes
(Integrated) battery included	Yes
Battery or integrated battery?	Battery
(Integrated) battery number	1
(Integrated) battery format	CR2032
(Integrated) battery brand	FDK
(Integrated) battery material	Lithium
(Integrated) battery changeable	Yes
(Integrated) battery life in months (average)	16
(Integrated) battery rechargeable?	No
Battery status display	No

Connectivity

Plug & play	Yes
Connection type	Wired
Length of cable [mm]	1200
Power supply	USB
Type USB connection	USB-A. USB-C possible via included adapter.
Power saver	No
Dongle/ receiver included	No
Multi-pairing	No
Charging cable included	No
Usable during charging	Yes
