Neomounts FL45-723BL1 Speaker stand for Sonos Era 300 - 85 cm height - floor plate 25 cm - cable management - black

The Neomounts FL45-723BL1 floor stand, engineered for the Sonos Era 300 speaker, helps you to create the best audio experience and slick interior design. Standing at an optimal height of 85 cm, this stand positions your speaker at the ideal ear level for immersive, room-filling sound during everyday listening or home entertainment. Its sturdy 25 cm floor plate ensures exceptional stability on any surface, while the minimalist silhouette seamlessly complements modern living spaces without distracting from your home decor.

The FL45-723BL1 features a smart integrated cable management system that conceals cords out of sight for a clean, wire-free look. Available in versatile black and white finishes to match your hardware and interior preferences, this floor stand offers a secure, vibration-free mounting solution that allows your Sonos Era 300 to reach its full acoustic potential.
