

EQ Laptop Carrying Case 16"

The more sustainable laptop carrying case.

K60390WW

Product Description

For professional commuters looking for a travel-friendly carrying case made from sustainable materials, the EQ Laptop Carrying Case is the ideal solution. Using 10.4 x 250ml plastic bottles, the carrying case is made from 32.7% post-consumer recycled (PCR) polyester. A value-for-money, modern, and travel-friendly laptop bag for professional commuters, it accommodates laptops up to 16" and includes a padded compartment for the laptop, a zippered front compartment for easy access, and multiple pockets for files and accessories. A padded shoulder sling strap offers support for your neck and shoulders, a trolley strap allows for simple attachment to rolling luggage, and the clamshell design is TSA-friendly to simplify security screening.

Features

- 32.7% post-consumer recycled (PCR) polyester.
- Provides everything a daily commuter needs to carry a laptop, accessories, files, and more.
- TSA-friendly clamshell design.
- Features padded shoulder sling and top-load design.
- Ample storage compartments for daily commuters.
- Includes 2-year limited warranty.
