Compact and Reliable Mono Laser Printer

This affordable mono laser printer is fast and compact offering excellent print quality. Easy to use, with low running costs, the HL-1110 deals reliably with your daily print requirements.
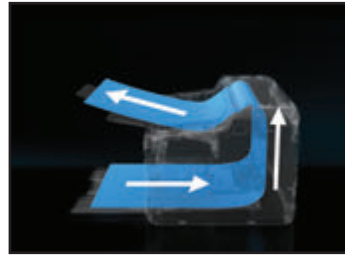

- Fast printing at up to 20 pages per minute (ppm) and only 10 seconds until the first page is printed

- Compact, space saving design.

- Hassle-free Printing Technology

- Affordable and easy to replace consumables

HL-1110

With low-priced hardware and genuine consumables, the Brother Monochrome Laser Printer and Multi-Function Centre series offers approximately 1,000 prints* without compromising on quality. Unlike most printers, the Brother series features a separate toner cartridge and drum unit. This means you only need to replace one component at a time, giving you signicant cost savings. All these features are packed in a light and compact printer, made possible due to Brother's expertise in printing technology.

Unique rubber material prevents dust from sticking onto the rollers. Dual roller system improves paper feeding by picking one sheet at a time.

A short paper path enables smooth printing and prevents paper from getting stuck.

General

Technology	Monochrome Laser
Processor	ARM9 200MHz
Memory	1MB
Local Interface	Full-Speed USB 2.0
LED Display	Orange x1 (Error), Green x1 (Ready)

Monochrome Printer

Standard Print Speed (A4)	Up to 20 ppm Mono (Draft mode)
Resolution	Up to 600 x 600 dpi (HQ 1200 technology)
Warm Up Time	Up to 18 secs From Sleep Mode, Up to 33 secs From Power ON
Print Languages	GDI

Paper Handling

Paper Input	150 sheet standard paper tray
Paper Output	50 sheets face down
Media Types	Plain Paper, Recycled Paper
Media Weights	between 65 - 105 g/m2
