Features/Benefits:

- **Lightning-Fast Thunderbolt 3 Connectivity:** With a Thunderbolt 3 (40 Gbps) host connector, experience lightning-fast data transfer speeds, enabling you to seamlessly transfer large files, stream high-resolution media, and boost your overall productivity.
- **Versatile Display Options:** The Thunderbolt 3 Titan supports single monitor 8K video resolution or dual monitor 4K UHD video resolution. Enjoy stunning visuals and immerse yourself in crystal-clear graphics for an enhanced viewing experience.
- **Seamless Peripheral Connectivity:** The docking station features a range of ports, including 2x DisplayPort 1.4 ports, 1x USB Type-C port, 2x USB Type-A ports (10 Gbps), and 2x USB Type-A ports (5 Gbps). Connect all your essential devices, such as external displays, keyboards, mice, and USB peripherals, with ease.
- **Fast Network Connections:** Benefit from the 1x RJ-45 port, which supports high-speed Ethernet connectivity at 10/100/1000 Mbps. Stay connected to your network and enjoy reliable Internet access for seamless browsing and efficient Online collaboration.
- **Convenient Audio Connectivity:** The 4-pole TRRS 3.5mm Phono Jack (Stereo/Mic Combo) allows you to connect your headphones or microphone, enhancing your multimedia experience and enabling clear communication during conference calls or online meetings.
- **Enhanced Power Delivery:** The Thunderbolt 3 Titan offers 60W Power Delivery, allowing you to charge your devices efficiently while keeping your productivity uninterrupted. Say goodbye to low battery anxiety and stay powered up throughout your workday.
- **Wide Compatibility:** Enjoy hassle-free connectivity with both Windows 10 and Mac OSX operating systems. The docking station seamlessly integrates with your existing setup, ensuring compatibility and convenience.

Application

- Home theatre
- Small business
- Multi-Screen Display
- Business Presentations
