

KB201C Simple Solutions™ Wired Keyboard with Smart Card Reader (CAC) – TAA

Part Number: K75454TAA | UPC Code: 0 85896 75454 1

The perfectly
simple 2-in-1
keyboard.

Professionals who process credit card payments need reliable technology that minimizes disruptions. Few keyboards offer integrated CAC solutions, and many are noisy and require batteries leading to added maintenance and interruptions during work.

The KB201C Simple Solutions™ Wired Keyboard with Smart Card Reader (CAC) addresses these challenges. It features a full-size keyboard layout with a numeric keypad and quiet-click keys for all-day productivity. The integrated smart card reader provides secure CAC access for enhanced data protection.

TAA compliance ensures it meets government standards for sourcing and quality. Additionally, the wired USB-A connection guarantees dependable performance without the hassle of batteries.

- Plug & play with wired USB-A connection
- Compliant and certified smart card reader (CAC)
- Full-size keyboard with a numeric keypad
- Quiet-click keys
- Compatible with Windows, macOS, and ChromeOS
- TAA compliant
- 3-year limited warranty

KB201C Simple Solutions™ Wired Keyboard with Smart Card Reader (CAC) – TAA

Part Number: K75454TAA | UPC Code: 0 85896 75454 1

Full-Size Keyboard

The full-size, six-row, 104-key keyboard with a numeric keypad enhances productivity and comfort by providing easy access to all standard keys and facilitating faster data entry for professionals who work with numbers.

Compliant & Certified Smart Card Reader (CAC)

Ensures secure and efficient access with FIPS-201, PC/SC, and USB CCID compliance, along with support for PIV and ISO/IEC 7816 standards. Provides reliable authentication and data protection, making it an essential tool for organizations requiring robust security measures and regulatory compliance.

Reliable Plug & Play Operation

Wired USB-A connection delivers reliable performance without the need for batteries, charging, or software installation. Compatible with Windows, macOS, and ChromeOS.

Quiet-Click Keyboard

The quiet-click keyboard enhances your workspace by providing a peaceful typing experience, allowing you to maintain focus and productivity without disturbing colleagues.

TAA Compliant

Meets government standards for sourcing and quality, making it ready for use in U.S. Federal Government institutions and organizations.

SmartFit™ - Comfort Made Easy

Designed to comfortably fit users of all hand sizes.

3-Year Limited Warranty

Enjoy peace of mind knowing you are covered by Kensington with a 3-year limited warranty.
