

HP Iron-On Transfers for Light Fabric A4 (210 x 297 mm) 10 sheets (AA7N8A)

Ideal for creative DIY-minded inkjet printer owners who love to have fun with transferring photos to items of clothing for events.

Easily transfer onto a wide variety of light-coloured fabrics from cotton to polyester and cotton/poly blends. These high-quality photo transfers work with inkjet printers and are optimised for HP Inkjet printers for vibrant colours and sharp details.

It's so easy to create, print, and transfer

We make it easy. Simply create your image and print. Cut your images into creative shapes with scissors or your cutter. Then easily peel off the backing and transfer onto a wide variety of fabrics from cotton to polyester and cotton/poly blends.

Simply create your image and print—what you see is what you get.

Have fun with the shape of your images—cut with scissors or use your cutter.

Easily peel off the transfer backing when your item is completely cool—liner removal is clean and easy.

Transfer onto a wide variety of fabrics from cotton to polyester and cotton/poly blends.

Enjoy all the fun, vibrant colours

With this level of brilliant, vibrant colours and sharp details, you can imagine creating all kinds of images from your favourite photos to colour graphics for events like team parties and family reunions or occasions like Mother's Day and birthdays.

These high-quality photo transfers provide brilliant, vibrant colours and sharp details.

Ideal for images from photos to colour graphics for events like team parties and family reunions.

Create images from your favourite photos for occasions like Mother's Day and birthdays.

Designed to produce vibrant colour images and graphics on white or light-coloured fabrics.

Iron-on transfers you can count on

When life is busy with fun events, it's nice to know that you can print, peel, iron-on, and count on these creative transfers to stick. HP Iron-On Transfers are designed and tested to work together with HP Inkjet printers for reliable performance.

Count on these transfers to provide strong adhesion from t-shirts to sweatshirts and sports shirts.

Add photos or images and play around with your favourite clothing and items you can iron, like pillow cases.

Works with inkjet printers; optimised for HP Inkjet photo printers and Original HP Ink.
