

E series Stereo Speakers

SP-E120: Stereo speakers

SP-E200: Stereo speakers for MP3

SP-E350: Stereo speakers for MP3 & Skype®

Genius is pleased to announce three new speaker models for their desktop E series: SP-E120, SP-E200 and SP-E350. These models are ideal for MP3 music or Skype usage. All three models feature a headphone jack function for private listening. Both the SP-E200 and SP-E350 also include AUX line in jack and audio cable so you can connect to MP3 players or other stereo audio devices easily. And the SP-E350 includes a microphone jack so you can connect a headset for Internet chatting using Skype® or MSN.

These three speaker models come in a distinctive titanium metallic silver finish and their output power ranges from two to 10 watts RMS. So if you are looking for a highly desirable, quality stereo sound system with user-friendly functions to enhance your experience, then one of the models from the Genius E series will meet your needs perfectly.

So don't hesitate, get in contact with your sales representative to pick up the E series speakers right now!
