Wall mount

Tabletop

Rubber pad and grips keeps iPad protected from scratches and from slipping out of place

Holder rotates to any desired angle or position

Seamlessly integrate your tablet into your home with CTA Digital's 2-in-1 Kitchen Mount Stand. This sturdy and stylish aluminum stand can be mounted on a wall, under the kitchen cabinet or used as a countertop stand to conveniently access apps or watch videos. This mount features a secure adjustable holder designed for 7-10-inch screen tablets between 6-8.5 inches wide, so it can easily hold any current iPad model, including iPad Air and iPad Mini. It can also hold other tablet lines such as the Kindle Fire, Nexus, Galaxy Tab and Note tablets. The retractable holder locks in place and has special padding to securely grip and protect the tablet. The holder can also rotate 360° and is mounted to a highly adjustable stand with multiple joints that can pivot or rotate to get any viewing angle or position needed. Two mounting bases are included with mounting hardware to easily place in multiple locations in the kitchen, home or other preferred location. Once the bases are attached, the stand can easily be placed inside one and then can just as easily be removed to place in the other or simply used as a stand by itself. The base of the stand features expanding legs for extra stability, so it can be placed on a table or countertop for portable use. The tablet holder also has quick release buttons making the tablet easy to access and remove. So stay connected and enjoy more from your tablet at home with CTA Digital's 2-in-1 Kitchen Mount Stand for iPad and Tablets.
