### Product Description

Made from recycled water bottles, the 12" Eco-Friendly Laptop Sleeve carrying case not only helps protect laptops and tablets from scratches, bumps and drops, it helps protect the planet. Perfect for most laptops and tablets up to 12.5" (see product specifications for sleeve dimensions). Exterior storage pockets keep accessories and adapters stowed and protected when not in use, while helping to avoid accidentally scratching or damaging the laptop. An adjustable shoulder strap and integrated handle offer multiple carry options. Premium zippers and stitching are built to last. Integrated ID holder, great for students and professionals alike. Two-year warranty.

### Features

- Each 12" Eco-Friendly Laptop Sleeve is made from approximately four recycled water bottles otherwise destined for landfills or our oceans.
- Fleece-lined interior helps keep your laptop or tablet protected from scratches, bumps and drops. Perfect for most laptops and tablets up to 12.5" (see product specifications for sleeve dimensions).
- Exterior storage pockets keep accessories and adapters stowed and protected when not in use, while helping to avoid accidentally scratching or damaging the laptop or tablet.
- Use the adjustable, removable shoulder strap, integrated handle or slide the entire sleeve into a backpack, briefcase or bag - you've got a host of carrying options.
- Built to last with premium materials including water-repellent fabric, high-quality zippers and stitching.
- Integrated ID holder helps easily identify and locate the owner if lost or misplaced. Great for students and professionals alike.
- Two-year warranty means you can rest assured knowing you're covered by Kensington.
