

SAMSUNG recommends Windows Vista® Home Premium

Q320 Notebook

Look good while you're working hard.

With a sleek and slim design, the Samsung Q320 Q-Series notebook computer is easy on the eyes. A 1366 x 768 HD resolution screen is sharp and clear. An LED-backlit LCD screen makes everything you view bright and beautiful. And the 13.4" screen gives you plenty of room to work, surf the internet or check your email without straining your eyes. SRS sound gives you HD audio to match the HD images. And performance is fast and powerful, with a state-of-the-art Intel® Core 2 Duo processor and roomy 320GB hard drive.

Samsung notebooks. Passion for perfection.
