

# Epson WorkForce DS-80W

Perfect for small office and on the go, scan documents easily with Epson's smallest mobile scanner. Featuring Wi-Fi connectivity, battery or USB powered, and ScanSmart software. Scan documents quickly at just 4 seconds per page.

The DS-80W is easy to use, set up and transport with its space-saving design, and can be used without a power source, making it even easier to stay highly organised. It detects whether it's in wireless or USB mode - no intervention required. Included OCR and document capture software creates editable text and searchable PDFs while TWAIN drivers enable seamless integration to third party applications.

## Scan anywhere

The DS-80W has built-in Wi-Fi and battery with an LCD Panel, providing true mobility to scan anywhere at speeds of just 4 seconds per page. When fully charged, scan up to 300 pages without the need for a power source. This makes it ideal for mobile workers who need to scan on the move or in areas with limited space.

## Highly organised

Software provided with the DS models includes Document Capture Pro 2 and Epson Scan 2.0, and TWAIN driver support, making it easier to scan, save and share information around the business. Advanced features for naming, separating and routing documents makes scanning easy – and logical. Users can save and send files in common formats like PDF, JPEG, TIFF and many more. Continuous scanning with automatic feed mode speeds up scanning process, while the CIS sensor delivers instant scanning with no warm up time. The new LCD panel makes it easy to define job tasks when working remotely.

## Flexible

The ability to scan a wide range of document and media types makes this model a reliable asset. It handles paper from 35gsm to 270gsm, and long paper up to 1.8 metres.

## KEY FEATURES
