

Flexible Cable Management Raceway Spine Vertebrae, 1-1/8"(29mm)W x 1"(25mm)H - 20"(0.5m) length, Nylon 66 Network Cable/Power Cord Hider Kit, Wall Wire Duct System, UL Listed

Product ID: CBMFWD2030

This 20.6 in. (52.4 cm) flexible cable management spine/vertebrae raceway offers a flexible solution for neatly routing cables at your workstation to create a tidy and professional look.

This cable management raceway protects cables from damage while neatly routing them. The raceway is 1 in. (25 mm) x 1.1 in. (29 mm). Featuring individual loops that makes it easy to add, remove and organize cables within the raceway.

The built-in raceway connectors make it easy to create long cable runs by latching several raceways together. Each raceway features mating connectors at each end, enabling you to customize the length of the raceway to meet your specific application.

The raceway features 0.5 in. (12.2 mm) x 0.2 in. (4.6 mm) mounting holes that enable you to easily mount the raceway to wood or drywall using screws (not included).

Made from durable Nylon 66 this network/power cable router/organizer is flexible and UL/94V-2 Rated.

This cable management raceway is TAA compliant and backed by a StarTech.com 2-year warranty and free 24/5 technical support. StarTech.com has been the IT professionals choice for over 30 years.
