XTRA BASS
WATER RESISTANT

Hear the sound as it should be

Klip Xtreme introduces the KSM-700 Bluetooth® stereo earphones to its innovative sport line. If working out is part of your daily routine or you are an avid audiophile who enjoy an impressive sound experience, these stylish, lightweight and incredibly durable earphones will prove to be a solid choice. They feature ergonomic earbuds that, besides offering an extremely comfortable fit, come with magnetic ends that click together to securely carry them when not in use, also avoiding tangled wires. Equipped with Bluetooth® 5.0 and an IPX6 rating for water resistance, these earphones have the ability to withstand the most demanding training maintaining a reliable connection and easy pairing with compatible devices. They also provide more than 14 hours of battery life, convenient volume and playback controls and optimum voice quality through their HD microphone. The well-balanced sound and robust performance make them the perfect companion for your daily use and heavy workouts.

Highlights

- Bluetooth® version 5.0 for greater wireless range of up to 33ft
- Provides about 14 hours of playback time
- IPX6 rating for water resistance
- Ergonomic, stabilizing ear fins and tangle-free flat cord
- Magnetic earbuds click together to easily carry them around your neck when not in use
- HD microphone with noise reduction technology for hands-free conversations
- Includes three interchangeable sets of ear tips and hooks for the perfect fit
- Built-in multifunction button for power, music and phone call management
- Ultra-light design

Technical specifications
