4XEM USB-C Female to Female Coupling Adapter

4XEM Part- 4XUSBCFF

4XEM's USB-C Female to Female coupling adapter is designed to extend USB-C cables enabling you to upgrade your device connections. The adapter supports 10Gbps transfer rate allowing your cable to not lose capability while being extended. USB-C ports grant amazing ease to connectivity. Fully reversible ports and connectors removes putting in a connector the "wrong way". The compact size allows this adapter to fit into most any configuration. Compatible with any USB-C enabled device, extend your cables simply with 4XEM's USB-C Female to Female Coupling Adapter.

Problem it solves: Extend USB-C cables and devices without hassle with 4XEM's USB-C Female to Female Coupling Adapter.
