

SmartFit® Easy Riser™ EQ Laptop Cooling Stand

The more sustainable laptop riser.

K52805EU

Product Description

Ideal for hybrid workers looking for a portable ergonomic solution and organizations that value more sustainable products, the SmartFit® Easy Riser™ EQ Laptop Cooling Stand improves workstation ergonomics and productivity. The proprietary SmartFit® System allows you to customize the height and angle of your laptop screen to reduce back, neck, and eye strain. The compact design folds flat for travel and promotes airflow to improve battery performance. The SmartFit® Easy Riser™ EQ Laptop Cooling Stand aims to reduce our environmental impact, utilizing 50% post-consumer content (PCR) in all plastic components.

Features

- Uses SmartFit® scientifically proven research to simplify ideal ergonomic height positioning.
- Composed of 50% post-consumer recycled content (PCR) ABS.
- Accommodates 12-17" laptops with non-slip padded inserts.
- Dissipates heat buildup and keeps the laptop cooler to ease strain on battery and internal components.
- Compact and foldable design is easy to carry.
