Xerox[®] AltaLink[®] Colour Multifunction Printer

The Ideal Digital Workplace Assistant for Demanding Teams

Xerox® AltaLink® C8130/C8135/C8145/C8155/C8170 Colour Multifunction Printer

Want work done right? AltaLink will help you do a lot more than just print. You can automate document workflows and connect to the systems that run your business – seamlessly. Protected by comprehensive security features, they are true Workplace Assistants that will free up time for you to do more of what really matters.

A PRODUCTIVE WORK EXPERIENCE FOR ALL

Feel right at home instantly with AltaLink.

The intuitive and personalised tablet-like interface balances simplicity and efficiency, and reduces steps to complete tasks with a single tap.

Native mobility features, like Wi-Fi Direct (optional), make it easy for workers to print from their mobile devices and access the advanced AltaLink capabilities such as Xerox® @PrintByXerox App, Xerox® Print Service Plug-in for Android™ or AirPrint®.

AltaLink devices bridge the physical and digital worlds with apps and advanced scanning capabilities that allow you to digitise, route and process information in a snap. Automate tedious tasks to save time and reduce errors.

Translate documents to 50+ languages with the Xerox® Translate and Print App. Convert hard copy to audio for easy listening on the go with the Xerox® Audio Documents App. And get your handwritten notes off the page and into the digital world with the Xerox® Note Converter App.

RIGHT FIT FOR EVERY NEED

Big jobs, small jobs and everything in between – AltaLink can be customised to do it all. Your choice of finishing options and accessories means you can configure your device for any type of document.

The speed of business has never moved so fast, but the AltaLink makes it easy to keep up.

Stay in the fast lane with access to the Xerox[®] App Gallery. It's your gateway to an ever-growing collection of apps designed to simplify time-consuming, repetitive or complex processes as your business evolves. Simplify IT support as your fleet grows. Fleet Orchestrator allows you to adjust configurations and settings on all your devices at once. Perform interactive training and support your users right from your desktop with the Remote Control Panel.

COMPREHENSIVE SECURITY

Stop threats where they start with the comprehensive protection that's trusted by the most security-minded businesses and governments.

Built-in security, including the AltaLink Trusted Boot that protects the integrity of the device start-up process from malicious actions, McAfee® whitelisting and integrations with McAfee ePO and Cisco ISE that neutralise threats instantly at the device level, and protect the network. Configuration Watchdog monitors and automatically remediates critical IT-defined security settings.

Native Security Information and Event Management (SIEM) simplifies reporting and management of security events. And integration with Xerox[®] Printer Security Audit Service, available as part of Xerox[®] Intelligent Workplace Services, helps maximise printer fleet, document and content security.

COLOUR WHERE IT COUNTS

High-resolution output of 1,200 x 2,400 dpi and best-in-class HD Super Fine EA Toner plus superior colour rendering and consistency will give your documents clarity and impact. You can also upgrade your AltaLink C8100 Series with the Xerox® EX-c C8100 Print Server Powered by Fiery®, delivering more options for professionallooking documents.

XEROX[®] CONNECTKEY[®] TECHNOLOGY

Intuitive User Experience

Enjoy a tablet-like experience with gesturebased touchscreen controls and easy personalisation, plus simple workflows and functions.

Mobile and Cloud Ready

Be more mobile with cloud-hosted services and instant connectivity to cloud and mobile devices right from the user interface.

Comprehensive Security

Prevent unauthorised access, detect threats and protect data and documents with built-in comprehensive security features.

Enables Intelligent Workplace Services

Seamless integration with Xerox Intelligent Workplace Services delivers next-level workplace efficiency, employee productivity and security.

Gateway to New Possibilities

Transform the way you work with the apps in the Xerox App Gallery. Or have one of our partners develop a custom solution for you.

Find out more about how you'll work smarter at **www.ConnectKey.com**.

¹ Maximum volume capacity expected in any one month. Not expected to be sustained on a regular basis.

² Paper capacities are based on 75 gsm stock; capacities will vary with different weight stocks

³ Available post-launch via software update

⁴ Not available in all geographical locations

⁵ Sold separately in some geographical locations

Certifications: xerox.com/OfficeCertifications
