

R500

Laser Presentation Remote

PRESENT EFFORTLESSLY.

Introducing the R500, a plug-and-play presentation remote that allows you to navigate slides and laser point from up to 20 meters (65 feet) away.¹ Deliver your presentation with ease and confidence thanks to the unmistakable three-button design and R500's comfortable, secure fit in hand. You can customize buttons, check battery life and set an on-screen timer in the Logitech Presentation App. The R500 is plug-and-play on most devices, operating systems and leading presentation software – including Windows®, Mac® OS, iOS®, Android™, PowerPoint®, Keynote, Google Slides™, PDF™ and Prezi™. Connect the R500 to your computer via USB receiver or Bluetooth® low-energy technology.
