

Fixed TV Wall Mount for 26" to 70" Displays

MODEL NUMBER: DWF2670X

Mounts a flat- or curved-screen television or monitor on the wall in your classroom, conference room, restaurant, lobby or home theater.

Features

Mounts Your TV or Monitor on the Wall for a Perfect Viewing Angle

Recommended for home theaters, classrooms, conference rooms, hotels, bars, restaurants or anywhere else you may want to show off a television or monitor, this low-profile TV wall mount is hidden out of sight behind the display for a sleek, professional appearance. It fits most flat- and curved-panel displays from 26 to 70 inches and up to 165 pounds (75 kilograms).

Durable All-Metal Construction Provides Convenient Cable Access

The fixed TV wall mount is constructed from heavy-duty steel with a powder-coated black finish that resists scratches. Its open frame design with smooth edges enables easy access to cables. Horizontal mounting rails adjust to compensate for off-center wall studs. A built-in bubble level helps ensure your display is evenly mounted. Removing and replacing the display is fast and simple using the automatic spring locks with quick-release cords.

VESA-Compliant Mounting Ensures Display Compatibility

VESA (Video Electronics Standards Association) promotes uniformity in the video electronics industry by developing standards for TVs and monitors. For hassle-free display compatibility, this mount supports the following VESA mounting hole patterns: 50 x 50, 75 x 75, 100 x 100, 100 x 150, 100 x 200, 150 x 100, 150 x 150, 200 x 100, 200 x 200, 200 x 300, 300 x 200, 300 x 300, 350 x 350, 400 x 200, 400 x 300 and 400 x 400. Mounting hardware is included.

Highlights

- Accepts most popular flat- and curved-screen displays from 26 to 70 in. up to 165 lb.
- Automatic spring locks with quick-release cords ensures quick and easy display removal
- Adjustable horizontal mounting rails help compensate for off-center wall studs
- Open architecture and built-in level enable easy cable access and accurate leveling
- Conforms to current VESA standards to ensure compatibility with your display

System Requirements

Supports VESA mounting hole patterns 50 x 50, 75 x 75, 100 x 100, 100 x 150, 100 x 200, 150 x 100, 150 x 150, 200 x 100, 200 x 200, 200 x 400, 300 x 200, 300 x 300, 350 x 350, 400 x 200, 400 x 300 and 400 x 400
