

HP t310 All-in-One Zero Client

Maximize available workspace while saving time and money with the PCoIP-optimized HP t310 AiO Thin Client that connects users to your VMware networks in no time.

Small size, big performance.

- Enjoy a seamless, high-performance VMware desktop driven by Tera 2 PCoIP that delivers low display latency and fast response time, even for your most demanding applications.

Keep it simple.

- Make it easy to deploy, manage, and maintain your install base with HP Device Manager, a software tool available exclusively for HP Thin Clients.

Be secure.

- Keep all data in the data center with a thin client that transfers screens to the local user for an ultra-high level of security and easy client management. Reduce IT costs and simplify deployment with centralized support and management.

Rest easy with a smart investment.

- Be future-ready with a 36-month long lifecycle that supports extended deployments, get global support from a standard three-year limited warranty, and help save money with an energy-efficient design that carries globally recognized eco-certifications.
- Get a fanless design and quiet thermals that support mass installments in small spaces plus a 23-inch diagonal screen that puts all your work front and center.
- Be ready to go out of the box with an included keyboard and mouse.
- Customize your all-in-one with an array of inputs that support external peripherals, a second display, Ethernet, and audiovisual interactivity.
- Accelerate your hardware performance with Tera 2 PCoIP and the Teradici Tera 2321 processor.
- Help protect your data and software by leaving it on the server, and your device with an optional HP Cable Lock.¹
- Deploy the same configuration around the world with a Global Series SKU that ensures the same product everywhere you do business.
- Help ensure consistent staggered deployments with a 36-month lifecycle.
- Align with your privacy and security mandates and empower your staff to work with patients across your environment.

**HP 3 year Next business day
Exchange Thin Client Only
Service**

HP Hardware Support Exchange Service offers a reliable and fast exchange service for eligible HP products. Specifically targeted at products that can easily be shipped and on which customers may easily restore data from backup files, HP Hardware Support Exchange Service is a cost-efficient but still convenient alternative to onsite support.

HP Hardware Support Exchange Service provides a replacement product or part to be delivered free of freight charges to your location within a specified period of time. Replacement products or parts are new or equivalent to new in performance.

Product number: U4847E

Messaging Footnotes

¹ Optional feature sold separately or as add-on feature.

Technical Specifications Footnotes

¹ EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.
