Why EcoPro?

Sign up to EcoPro today and receive a FREE trial ink subscription, warranty which covers repairs to your Brother printer for added peace of mind, ongoing first-class support and the flexibility to cancel your subscription at any time.

With EcoPro you can choose a plan which matches the amount you print. So whether you print 50 pages or 500 pages per month, there's a subscription plan for you. Not sure how many pages you print? No problem. Select whichever plan you think is closest to your print usage and any pages you don't use can be carried over to next month, up to a maximum of 2 months' worth of your subscription printing.

Activate your subscription

For an effortless print and scan experience download Brother Mobile Connect today and start your free trial. Activating your FREE EcoPro trial couldn't be easier. Simply download the Brother Mobile Connect app, add your printer, select your preferred subscription plan and you're ready to print. Fast and hassle-free.

Recycling

With EcoPro, you'll get a free postage label with every ink cartridge you receive, so you can return them to us free of charge, giving you the added piece of mind that nothing goes to landfill.

Brother has a zero waste to landfill policy for empty cartridges returned and for every Brother supply returned to us we donate to our rainforest-saving charity partner Cool Earth.

Warranty

Additionally, the warranty included with your EcoPro subscription means that should your printer ever need fixing, you can send it to us and we will repair or refurbish your device using recycled parts, and return it to you good as new.

Better for you. Better for the planet. A better way to print.

Versatile, cost-effective and connected

The professional MFC-J5340DWE all-in-one printer offers print, copy, scan and fax functionality in a stylish, durable shell. This machine has fast print speeds and low running costs enabling you to produce a wide variety of high quality A3 and A4 colour documents without hassle. Wireless connectivity means you can print from your workstation, meeting room or from your mobile device making the MFC-J5340DWE perfect for a small office space.

MFC-J5340DWE

Key features:

- Up to 28ipm print speed⁹
- Automatic 2-sided A4 print
- 1-sided A4 scan, copy and fax
- 6.8cm colour touchscreen
- Wired and wireless connectivity
- 1 x 250 sheet paper trays²
- 1 sheet manual feed slot
- 50 sheet A4 Automatic Document Feeder (ADF)²
- Optional high-yield inks: BK 3000 pages and C/M/Y 1500 pages¹

Professional versatile A3 printing²

This professional A3 printer offers you the capabilities to not only print in A4, but to also print your reports, presentations, marketing materials or training documents in A3, enabling you to expand your opportunities.

The enclosed paper tray will also hold up to 250 A3 sheets. Using the 50 Sheet Automatic Document Feeder, you can leave your multi-page document to scan, while you focus on other tasks. The 6.8cm LCD colour touchscreen makes set-up and navigation easy and helps to improve productivity.

Ultra-fast, durable, precision printing

Through years of meticulous engineering design, our patented MAXIDRIVE print chip redefines printing technology. Ink droplets are ejected into 40 micrometer thick film generating pressure that travels through 1680 individual chambers across a single print chip, delivering ultra-fast, durable, precision printing.

When quality and performance work together

Our most advanced colour printing technology is guaranteed to make the right impression when it counts, with vibrant, professional colour prints and accurate digital documents. The robust design and long-life components provide confidence that your device will continue to perform without interruption.

Print from anywhere, any time

Thanks to the remote print function on the Brother Mobile Connect app, you can send print jobs from anywhere – allowing you to get on with the rest of your day. You can even set up notifications that will let you know when the job is completed.

Brother Mobile Connect

The Brother Mobile Connect app lets you personalise your frequently used printer functions unlocking a revolutionary way of printing. As well as sending a print job from anywhere, there is a whole host of useful scan features – scan data directly to your mobile device or check your scan history for files. If you're worried about running out of supplies simply check ink levels and order replenishment supplies direct to your door.
