HP recommends Windows 11 Pro for business

Adapted for today's work

- Set yourself up for success, whether remote or in-office. The HP ProOne 240 AiO offers powerful, business-grade performance, while enhanced video features enable an easy, engaging virtual meeting experience—all-in-one simple design.

Remarkable tech

- Get the latest technology at a great value. Featuring robust storage and memory options with the latest Intel® processing power², this AiO provides the tools for quality performance.

Sleek, professional design

- Equipped with a three-sided micro-edge display, the slim, stylish HP ProOne 240 23.8 inch AiO PC with rear-facing ports frees space on your desk. Adapt to your comfort zone with an adjustable-height stand⁴ and tiltable camera.⁵
- Work anywhere without compromising on performance with Windows 11 and HP collaboration, security, and connectivity technology.¹
- Configure your All-in-One's CPU for the perfect combination of power, performance, and value. The latest Intel® processor handles multiple work tasks smoothly and reliably with multiple processing cores to divide up the work.²
- Move around a little without losing viewers' attention during video calls with HP Auto Frame.⁶
- Step away from the camera during video conference calls without disrupting the meeting or attendees with the Be Right Back feature. Simply replace the video with a still image while you are away and switch back to your live image when you return.⁶
- This space-saving AiO fits various workspaces and use cases. Easy to set up for use at the front desk, in an open office environment, or your home office. It can serve a wide variety of uses including as a point-of-sale register, a kiosk, a digital sign, and more.
- Easily collaborate with colleagues and customers on the 23.8-inch diagonal Full HD display. Be seen and heard with the tiltable camera, down-firing speakers, and dual-array microphone.^{3,5}
- The 23.8-inch diagonal tilt display allows users to find the optimum placement and create an ideal workspace.¹¹
- Spend less time and get right to the updates you need with HP Support Assistant.¹²

HP ProOne 240 23.8 inch G10 All-in-One Desktop PC

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ³ Full high-definition (FHD) content required to view FHD images.
- ⁴ All-in-One stand offerings include adjustable-height stand or fixed-height stand and must be configured at the time of purchase.
- ⁵ Tilttable Camera with a range of 20-degrees forward and 5 degrees backward.
- ⁶ HP conferencing features require Windows and the latest myHP app, available over the air or for download via sofaq on the HP Support website. Planned availability in spring 2023.
- ¹¹ Adjustable tilt display with a range of 5-degrees forward to 20-degrees backward.
- ¹² Internet access required.
- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

Technical Specifications Footnotes

- ² Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ³ Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.
- ⁴ NOTE: Your product does not support Windows 8 or Windows 7. In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel® and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on <http://www.support.hp.com>.
- ⁵ Actual data rate is determined by both the system's configured processor and memory module installed.
- ⁶ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) of disk is reserved for system recovery software.
- ⁷ HD content required to view HD images.
- ⁸ NOTE: AMD integrated Radeon™ Vega Graphics varies by processor.
- ⁹ Keyboards and mice are optional or add-on features.
- ¹⁰ McAfee LiveSafe™: subscription required.
- ¹¹ HP Cloud Recovery is available for HP Elite and Pro desktops and laptops PCs with Intel® or AMD processors and requires an open, wired network connection. Note: You must back up important files, data, photos, videos, etc. before use to avoid loss of data. Detail please refer to: <https://support.hp.com/us-en/document/c05115630>.
- ¹² Simply sign up and start using Xerox® DocuShare® Go. No credit card. No obligation. Data will become unavailable unless a subscription is entered before the end of the 90 day free trial period. See visit www.xerox.com/docusharego for details.
- ¹³ External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
- ¹⁴ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 (802.11ax) is backwards compatible with prior 802.11 specs. The specifications for Wi-Fi 6 are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ax WLAN devices. Only available in countries where 802.11ax is supported.
