Dual USB-C® PD Wall Charger 40W

Dual USB-C PD Wall Charger 40W + USB-C Cable with Lightning Connector

Dual USB-C PD Wall Charger 40W (2-Pack)

Our 40W Dual USB-C PD Wall Charger can safely fast charge two iPhone 12, iPad, or other compatible devices simultaneously. Its compact design with foldable prongs (US/CN) makes it easy to bring along for use on the go. It's USB-C PD certified, supporting a wide range of devices including smartphones and tablets from Apple, Google, Samsung, and other power-delivery-enabled devices. Also available in a bundle and a 2-pack.

Product Benefits

- Dual port allows charging two compatible devices at the same time with integrated USB-C PD 3.0 charging technology
- Fast charge an iPhone 12 from 0–50% within 25 min. and an iPad from 0–50% in 40 min.*
- USB-C PD certification ensures the product is safe, compliant, and meets required specs
- Each USB-C port charges with up to 20W of power for a total output of 40W
- Compatible with the latest iPhone and iPad as well as other USB-C PD-enabled smartphones and tablets
- Travel-ready compact design with foldable prongs (US/CN) is easy to carry and fits almost anywhere
- \$2,500 Connected Equipment Warranty to protect your devices
- 2-year warranty
- WCB006dq1MWH-B5 includes a 3.3 ft./1m USB-C cable with Lightning connector
- BBC009-WH-2PK is a 2-pack
