

HP ProDisplay P19A 19-inch LED Backlit Monitor

Essential business functionality in a 5:4 aspect ratio monitor designed for the way you work and the tools you use every day. Get solid performance in a stylish display designed with the environment in mind at a very attractive price point. Efficiently grow your business with proven HP quality and reliability, a stable lifecycle, HP accessory compatibility, and energy efficiency.

Boost productivity with essential functionality at an affordable price.

- Increase optimal viewing and easy readability of software and tools designed for 5:4 aspect ratio presentations – ideal in banking, healthcare, financial, POS, retail and other business environments.

Get compatible with HP accessories.

- Free up valuable desk space and take the monitor completely off the desk; the 100-mm standard VESA pattern supports wall or swing arm mounting with the HP Quick Release or HP Monitor Arm (each sold separately).

Get peace of mind.

- Stable product lifecycle and minimum one-year lifespan help ensure product consistency across staggered deployments.

Design the screen for how you work.

- HP Display Assistant consolidates monitor setting controls into an easy-to-use, centralized interface.
