Extra Long Description

(100-Word Description)

Get the full picture of any space in your apartment, dorm or home with the Kasa Spot Pan Tilt. With a 360° horizontal view and 113° vertical view, the Pan Tilt has everything covered. Receive real-time alerts through the Kasa app when your camera detects motion or sound activity. With all videos stored locally on a MicroSD card, access your video history and live stream 1080p HD video to your smartphone, Alexa or Google Assistant supported display. The Pan Tilt also features advanced night vision to capture activity up to 30 ft. away in the dark and allows you to set custom activity zones around important areas to control what alerts you receive.

*MicroSD card not included. Supports upto 128GB MicroSD card.

Features

Crystal Clear Video 24/7

Sharp and clear 1080p HD video 24/7 using night vision to detect motion up to 30 feet in the dark.

Pan and Tilt

With 360° rotational and 113° vertical views, The Pan Tilt camera can monitor every angle of any room.

Motion Tracking

The Kasa Spot intelligently tracks and monitors moving objects, giving you a clearer picture of what's occurring in your home.

Secure Local Storage

Save your footage on a MicroSD card* and play back with your Kasa Smart app.

Patrol Mode

Select multiple points of focus on in your home and let the camera automatically view each one at selected intervals.

Live View

Keep an eye on what's important to you in real-time from anywhere with the Kasa Smart app. Even stream live video to any Alexa or Google Assistant supported display.

Real-Time Alerts

No need to check your Kasa Spot throughout the day. Get automatic alerts when it detects motion or sound.

Two-Way Audio

Use crisp two-way audio to communicate with unexpected visitors.

Activity Zones

Configure up to 4 customizable zones to receive alerts you care about.

*MicroSD card not included. Supports upto 128GB MicroSD card.
