

SmartView® Organizing Laptop Riser

The all-in-one solution to manage your Surface desktop setup.

K50825WW

Product Description

Designed for Surface and developed in partnership with Microsoft, the SmartView® Organizing Laptop Riser is an all-in-one solution to manage your Surface desktop setup or any laptop up to 16". Features include five-level SmartFit® height adjustment, which takes the guesswork out of finding the most ergonomic height; a hanger to keep your headset there when you need it, out of the way when you don't; fabric-covered docking station storage, which conveniently and neatly houses a number of Kensington and Microsoft Surface docking stations (to ensure accessibility to all ports, a 90-degree port adapter may be necessary for some docking stations); sturdy metal construction, to match the Surface look and feel, and for a solid, stable solution; cable management for a tidy desktop; a ventilated platform that promotes air circulation, optimizing device performance and battery health; easy assembly with included tools; and a non-slip rubber base.

Features

- Designed for Surface and built in collaboration with Microsoft for the highest quality, form, fit, and function. Accommodates all Surface Laptop and Surface Laptop Go models, or any laptop up to 16".
- Five-level SmartFit® height adjustment takes the guesswork out of finding the most ergonomic height for your Surface laptop screen. Simply match your hand size to the color on the provided chart, set the height to the corresponding level, and you're done.
- The headphone/headset hanger keeps your headset there when you need it, out of the way when you don't.
- Fabric-covered integrated docking storage conveniently and neatly houses a docking station, phone, or other accessories (to ensure accessibility to all ports, a 90-degree port adapter may be necessary for some docking stations).
- Sturdy metal construction complements the Surface look and feel, and provides a solid, stable solution.
- Cable management for a tidy desktop.
- The ventilated platform promotes air circulation, optimizing device performance and battery health.
- Assembly is easy and takes minutes, with all the tools you need included.
- A non-slip rubber base keeps the SmartView™ Organizing Laptop Riser in place and prevents it from sliding around the desk.

Specifications

- **Device Compatibility** Surface Laptop Go 2
