# IMPACT 400 Series

Be heard on any call with a wired headset for hybrid workers that delivers value for money. Advanced noise-filtering technology transmits your voice instead of unwanted noise, while the speakers deliver exceptional sound so that you don't miss a word.

Certified for  
Microsoft Teams

Google Meet

zoom

# Key Features

## Great sound for uninterrupted focus

Professional-grade speakers and a sound profile tuned for calls ensure that you don't miss any important details.

## Comfortable design for all-day wear

Soft noise-dampening ear pads, ultralight design, and a padded headband reduce wearing fatigue and let you stay in the flow.

## Clear voice transmission

Dual-microphone system with advanced filtering algorithms transmits less unwanted noise and ensures clear calls.

## Unmatched value for money

Meets the rigorous Microsoft Teams Open Office requirements, providing uncompromising value at a competitive price point.

## Designed for convenience

Plug-and-play connectivity and intuitive features like lift-to-mute help to minimize friction and boost your productivity.

# How to Use the IMPACT 400

## Adjusting and wearing the headset

## Connecting

## Accept/end a call

## Mute/unmute

## Adjusting the volume

# Additional benefits & features

## Single-sided busylight

Busylight signals when you're on call while completely invisible when not active.

## Optimized for UC platforms

Designed to work with leading UC platforms like Microsoft, Zoom, Google Meet etc.

## Lift-to-mute feature

Simply lift/lower the boom arm while on a call to mute/unmute your microphone.

## Mute LED on microphone

Prominent LED on the microphone lets you know when you're muted at a glance.

## Built for portability

Easy to carry thanks to its ultralight design that folds flat when not in use.

## USB-C to USB-A adapter

Connect to any USB-A or USB-C devices using the included adapter.

## Integrates with EPOS Connect & Manager

Tap into the EPOS ecosystem to get firmware updates, tweak settings, and more.

## Direct connection to Android devices

Plug directly into any USB-C-enabled Android device for instant calls.

## Made for the open office (T-VARIANTS ONLY)

Meets the rigorous Microsoft Teams Open Office requirements for mic quality.

## Made for the open office (Non-T VARIANTS)

Microphone with advanced voice pickup designed for the open office.

## Dedicated Teams button (T-VARIANTS ONLY)

Teams button on the ear cup lets you easily join meetings with a single click.
