

G-Technology™

G | SPEED™ SHUTTLE

Protective Case

Durable and Airworthy

Built with dent-and shatter-resistant materials and designed to be carry-on compliant with most major airlines, the G-SPEED™ Shuttle Protective Case by Pelican is a formidable suit of armor to help protect a G-SPEED Shuttle device from location to location. Customized foam padding offers added shock absorbency to protect against bumps and vibrations, and it comes with dedicated cable compartments to help keep everything tidy and organized. Combined with a limited lifetime warranty from Pelican Products, Inc., you get a dependable way to help keep your storage for all your important footage safe while you travel.
