

EcoTank L6190

This next generation, fast 4-in-1 comes with connectivity options, a 250-sheet paper tray, double-sided printing and 6.1cm LCD screen.

Cut your printing costs with Epson's cartridge-free EcoTank ITS 4-in-1. Thanks to the included three years' worth of ink², this inkjet delivers an ultra-low cost per page. It can print up to 14,000 pages in black and 11,200 in colour³. It has a range of features including Wi-Fi, double-sided printing, a 250-sheet front tray, 30-page ADF and fast 15ppm⁴ print speeds.

Ultra-low cost

EcoTank ITS can cut printing costs by up to 90% on average¹ thanks to its innovative design. It features an ultra-high-capacity ink tank that removes the need for cartridges, plus it comes with up to three years' worth of ink² included in the box. Affordable refill bottles are available.

Print thousands of pages

Get more prints between refills. Thanks to the ink included in the box, it can print up to 14,000 pages in black and 11,200 in colour³.

Discover the next generation

With the ink tank housed at the front, EcoTank ITS is more compact and easier to use than ever before. It features an enhanced ink filling system engineered to minimise the risk of spills and mess. The new bottles incorporate a mechanism that ensures only the right tanks are filled with the corresponding colour.

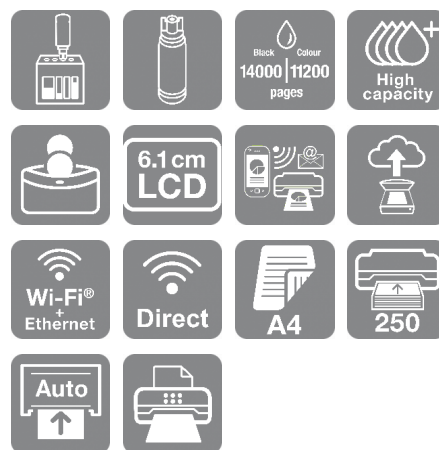

Business quality features

Produce crisp and clear texts thanks to the PrecisionCore permanent printhead and Epson's genuine black pigment ink. Designed for business, it offers a 250-sheet paper tray, double-sided printing, 30-page automatic document feeder (ADF) and print speeds of 15ppm⁴. It offers a one year standard warranty, and up to three years with the promotional warranty⁵.

Desk-free printing

With Wi-Fi and Wi-Fi Direct, send documents to print from smart devices using the Epson iPrint⁶ app. It can even receive files from almost anywhere in the world via Epson Email Print⁶.

Included	14,000 pages*	11,200 pages*
Replacement	7,500 pages*	6,000 pages*

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

1. The comparable ink cartridge calculation is based on the lowest yield cartridge used in the top 20 competitive A4 inkjet printers according to the IDC EMEA Hardcopy Tracker (Data Q4 2016) in the period January 2016 – December 2016. The calculation was based on the competitors' standard cartridge yield divided by the average Epson ITS Ecotank printer's bundled yield.
2. Three years' worth of ink based on average monthly print volumes of 290 pages for EcoTank ITS home and office printers. Calculations are based on the lowest bundled black ink yield for the following printers; L4150, L4160, L6160, L6170, L6190.
3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
4. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.eu/testing
