

# EcoTank L5590

Enjoy business quality and mobile printing at an ultra-low cost with this multifunction inkjet with fax, perfect for busy homes and small offices

Save up to 90% on printing costs<sup>1</sup> with this Epson EcoTank printer. Supplied with high yield ink bottles, the ink tanks are easy to fill with no cartridges to replace. With flexible connectivity features and fax, this is the perfect printer for anyone looking for high-quality prints at an incredibly low cost per page.

## Say goodbye to cartridges

EcoTank provides a hassle-free solution for home and small office printing - the ultra-high capacity ink tanks are engineered for mess-free refills and the bottles are designed with a key-lock feature which only allows the correct colour to be inserted into the tank. Thanks to the front ink level display it's easy to see when it's finally due for a refill.

## Keep on saving

This economical printer delivers an incredibly low cost-per-page. It comes with up to 3 years' worth of ink included in the box<sup>2</sup> and saves you up to 90% on printing costs<sup>1</sup>. One set of ink bottles delivers up to 4,300 pages in black and 7,300 in colour<sup>3</sup> - that's equivalent of up to 66 cartridges worth of ink.<sup>1</sup>

## Epson Smart Panel app

For families on the go or businesses that never stop, the Epson Smart Panel app enables you to control your printer from your smart phone or tablet<sup>4</sup>. You can print, copy and scan documents and photos, set up, monitor and troubleshoot your printer, and let your creativity flow with a wide range of artistic templates.

## Packed with features

Print, copy, scan and fax quickly and efficiently. This compact printer features a 3.7cm colour LCD screen, 30-page automatic document feeder, fax, 100-page rear paper tray and print speeds of up to 15 pages per minute<sup>5</sup> so you can speed through a variety of tasks with ease giving you more time to relax.

## Modern flexibility

A printer for the modern user, this EcoTank allows you to print, scan, and more directly from your phone or tablet using the Epson Smart Panel app<sup>4</sup>. What's more, with Apple AirPrint support and Wi-Fi, Wi-Fi Direct and Ethernet connectivity, integrating this printer with your existing home or office set-up will be a breeze!

## Heat-Free Technology

With our forward-thinking PrecisionCore Heat-Free Technology you can enjoy the benefits of greatly reduced energy consumption and less need for replacement parts. Unlike other printers, the printhead also comes pre-installed so setting up your printer is hassle-free.

## DATASHEET / BROCHURE

## KEY FEATURES

- **A4 multifunction printer with ADF and fax**  
Print, copy, scan & fax
- **Ultra-low-cost printing**  
Save up to 90% on printing costs<sup>1</sup>
- **Up to 66 cartridges in one set of inks<sup>1</sup>**  
Print up to 4,300 pages in black and 7,300 pages in colour<sup>3</sup>
- **Hassle-free ink tank system**  
Enjoy mess-free refills with key-lock bottles and front-facing tanks
- **Epson Smart Panel app**  
Set up, monitor, print, scan and more, all from your smart device<sup>4</sup>

INK BOTTLE YIELD DATA

	●	● ● ●
Included	6.600 pages*	5.900 pages*
Replacement	4.300 pages*	7.300 pages*

\* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

1. 1. Based on Epson calculations, the average cost per page saving and the average number of inkjet cartridges required to print the same number of pages as the Epson EcoTank “101” and “103” ink bottles. Comparison between the average yield (A4 prints of ISO/IEC 24712 test pattern) of EcoTank “101” and “103” bottle series and the genuine consumables (IDC, Hardcopy Peripherals Consumables Tracker, 2021 shipments, published Q1 2022) used within the 10 best-selling consumer A4 inkjet cartridge printers in Czech Republic, Hungary and Poland (IDC, Quarterly Hardcopy Peripherals Tracker, 2021 shipments, published Q1 2022). Cost per page calculated by dividing the relevant bottle/cartridge sales revenue and the total yield by the unit sales.

2. Based on print volume of 100 pages per month and the lowest yield produced from the first set of inks.

3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower.

4. Mobile printing solutions require a wireless and/or an Internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit [www.epson.eu/connect](http://www.epson.eu/connect)

5. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information [www.epson.eu/testing](http://www.epson.eu/testing)
