

Expression Premium XP-6100

DATASHEET / BROCHURE

Compact and stylish, this all-in-one prints high-quality photos and sharp documents with individual inks and mobile and A4 duplex printing.

Forget compromise; with the XP-6100 you can produce high-quality photos and text documents from a compact and stylish all-in-one. It's economical too with individual ink cartridges for replacing just the colour you've used. And if printing away from your desktop appeals, there's a full suite of mobile printing options.

Style and substance

Unightly tech is a thing of the past; this all-in-one looks great from every angle. And wherever you choose to place it, the modest footprint ensures it takes up as little space as possible.

Best of both worlds

Enjoy the beauty of high-quality photos and crisp, clear text documents with the five-colour Claria Premium dye and pigment ink set. Photos are crystal clear with vibrant colours and deep, rich blacks as Claria Premium incorporates a photo black ink cartridge.

Mobile printing

Print using smart devices with Epson's free apps, Wi-Fi, and Wi-Fi Direct. Print and scan wirelessly with Epson's iPrint¹ app or try Epson's Creative Print¹ app to print photos from Facebook, create greeting cards and more. And print from almost anywhere in the world by emailing files to the printer with Epson Email Print¹.

Fuss-free features

The XP-6100 is easy to use without a computer; there's a 6.1cm LCD screen and a memory card slot for printing photos directly. Save time and paper with fast, A4 double-sided printing and dual paper trays (duplex). It's also possible to print on suitable CDs and DVDs, and create personalised calendars.

KEY FEATURES

- **Compact all-in-one**
Print, scan and copy
