EcoTank L3266
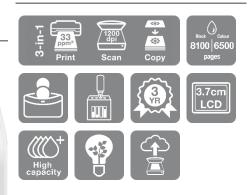

Enjoy wireless printing and an ultra-low cost per page with this cartridge-free multifunction white colour EcoTank with LCD screen

Save up to 90% on printing costs[1] with Epson's cartridge-free EcoTank printers. Supplied with high yield ink bottles, the integrated ink tanks are easy to fill thanks to the specially engineered ink bottles. With no cartridges to replace, flexible connectivity features and an LCD screen, this is the perfect printer for anyone looking for high-quality prints at an incredibly low cost per page.

Say goodbye to cartridges
Hassle-free home printing - the ultra-high capacity ink tanks allow mess-free refills and the key-lock bottles are designed so only the correct colour can be inserted.

Keep on saving
This EcoTank printer saves you up to 90% on printing costs[1] and comes with up to 3 years' worth of ink in the box[2]. Print up to 8,100 pages in black and 6,500 in colour[3] with the included ink, and a replacement set of ink bottles delivers the equivalent of up to 66 cartridges worth of ink[1].

Modern flexibility
Easily integrate this printer with your existing home set-up and print from mobiles, tablets and laptops[4].Plus, with Epson Smart Panel app you can control your printer from your smart device[4]. Print documents and photos, set up, monitor and troubleshoot from your phone or tablet.

Packed with features
Featuring a 3.7cm colour LCD screen, 100-sheet rear paper tray, borderless photo printing (up to 10x15cm) and print speeds of up to 10 pages per minute[5], you can speed through a variety of tasks with ease.

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit http://www.epson.eu/pageyield

1. Based on Epson calculations, the average cost per page saving and the average number of inkjet cartridges required to print the same number of pages as the Epson EcoTank "101" and "103" ink bottles. Comparison between the average yield (A4 prints of ISO/IEC 24711) of EcoTank "101" and "103" bottle series and the genuine consumables (IDC, Hardcopy Periperhals Consumables Tracker, 2020 shipments, published Q1 2021) used within the 25 best selling consumer A4 inkjet cartridge printers below EUR 100 (exc. tax) in Czech Republic, Hungary, Poland and Turkey (IDC, Quarterly Hardcopy Peripherals Tracker, 2020 shipments, published Q1 2021). Cost per page calculated by dividing the relevant bottle/cartridge sales revenue and the total yield by the unit sales.
2. Based on print volume of 100 A4 pages per month and the lowest yield produced from the included set of inks.
3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower.
4. Epson Smart Panel app requires a wireless connection. Epson Email Print and Epson Remote Print Driver require an internet connection. For more information, supported languages and devices, please visit www.epsonconnect.eu
5. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit the Epson website
