LabelWorks LW-C410

Perfect for organising, crafting and more. This easy-to-use label printer allows you to personalise your print via your mobile phone (app required).

With a light frame, mobile connectivity, 18mm capability across 36 tapes and ribbons, the LW-C410 is a high-performing label printer easily set up in any home space. Thermal transfer technology delivers a clear and long-lasting print every time, with a wide range of applications including QR code, imagery, and label design from scratch – perfect for hobby enthusiasts and home organising alike.

This Bluetooth label maker can be operated via a mobile app that's simple to use, yet sophisticated enough to handle all home business and crafting requirements. Compatible with Android and IOS devices.

Easy to use

Working with 36 tapes and ribbons across a wide range of colours and finishes, the LW-C410 gives you an impressively versatile print. With widths of up to 18mm and 180dpi resolution, users can print QR codes, images, original designs and more – making home labelling easier and bespoke gifting more beautiful.

Versatile

The 430g frame is lightweight, durable, and battery operated so you can pick it up and work from anywhere at home, without wires getting in the way.

Portable

The LW-C410 features Epson's unique auto-cutter technology which significantly reduces margin waste compared to competitors. This means users get more prints per ribbon and tape cartridge.

Cuts waste and costs

KEY FEATURES

- **Simple creation and editing of labels, tapes and ribbons**
  With the easy-to-use Easy Label Editor app available in the app stores
- **Move from room-to-room and print from anywhere**
  Lightweight and battery operated
- **Wide range of tapes and satin ribbons in 12mm and 18mm thicknesses**
  A vast range of colours including metallic, matte and iron-on tapes allows you to personalise your print
- **Less waste and cost efficient**
  Epson auto-cutter technology reduces margin waste and money spent when printing tapes
- **Thermal Transfer Print Technology**
  Creates long-lasting prints with clear 180dpi resolution
- **Legal Statement**
  Complies with The UK Product Security and Telecommunications Infrastructure (Product Security) requirements. Epson will provide security updates for 7 years from purchase
