

# LabelWorks LW-C610

Ideal for anyone looking to get organised or perfect their crafting. This easy-to-use label maker creates high-quality labels thanks to the high 360dpi resolution.

Compatible with 50 ribbons and tapes up to 24mm in width, the LW-C610 makes home crafting even more customisable. Print functions include QR code, barcode, imagery, and original label design - all manageable from a smart mobile application. This model can be used with batteries or an AC adaptor, so you can pick it up and print from anywhere.

#### Fully flexible

The LW-C610 features a chic lightweight frame, full Bluetooth connectivity, and both battery and AC adaptor compatibility, so you can set up their workspace anywhere and seamlessly switch between tasks.

#### Simple yet sophisticated mobile app

This Bluetooth label maker is manageable via a mobile app simple enough for a child to use, yet sophisticated enough to handle all home business and crafting requirements. Compatible with Android and IOS devices.

#### Impressively versatile

Working with 50 tapes and ribbons up to 24mm in width, the LW-C610 allows you to print across a wide range of colours and finishes, creating barcodes, borders, brand-designs and even hand drawn images. This versatility is supported by a 360dpi resolution to ensure a perfectly clear print every time.

#### Cost efficient

Epson's built-in auto-cutter technology significantly reduces margin waste compared to competitors. This means you get more prints for the same amount of ribbon and tape.

## KEY FEATURES

- **Simple creation and editing of labels, tapes and ribbons**  
With the easy-to-use Easy Label Editor app available in the app stores
- **Move from room-to-room and print from anywhere**  
Lightweight and both battery and AC adaptor compatibility
- **Variation of 50 tapes and ribbons in 12mm, 18mm and 24mm thicknesses**  
Metallic to matte tapes and satin ribbons, our vast range allows you to personalise your print
- **Less waste and cost efficient**  
Epson auto-cutter technology reduces margin waste and money spent on tapes
- **Thermal Transfer Print Technology**  
Creates long-lasting prints with clear 360dpi resolution
- **Legal Statement**  
Complies with The UK Product Security and Telecommunications Infrastructure (Product Security) requirements. Epson will provide security updates for 7 years from purchase

## PRODUCT SPECIFICATIONS

### PRINTING

Printing technology	Thermal transfer
Tape width	4 mm, 6 mm, 9 mm, 12 mm, 18 mm, 24 mm
Printing resolution	360 DPI
Printable Dot Numbers	256 dot numbers
Print speed	12 mm/sec

### PRINT SETTINGS

Repeat printing	1 - 99 Auto
Margin setting	10mm
Margin setting - Label Editor	10mm

### MEMORY

Last label	View history
------------	--------------

### HARDWARE

Cutter	Auto
Detection	Tape width
Handle	No
Strap hole	No
